

**\$500  
Store Credit**

**CUSTOMERS** know what it takes to have great service.

A great way to find the right individuals for our company is by customer referrals.

Plains Ag is offering store credit to our customers who refer technicians to our company for employment.

For each referred applicant who is hired in a full-time position, we will issue the referring customer a \$500 store credit.

### **Eligibility**

This incentive is applicable to all customers who have done business with a Plains Ag LLC affiliate location within the last two years.

### **Requirements**

To qualify for the referral store credit, the name of the referring customer **MUST** be listed on the original application under the “Referral Source” at the time of submission to Human Resources.

Adding a referring name to an application after the original submission will not satisfy this requirement. If multiple customers are listed as the referral source, the referral credit be evenly divided. In the event that a name is listed but not clearly defined, the Human Resource Director will make the best determination of the referral source.

### **How to Apply**

Applications can be found at <http://www.plainsag.com/pdf/apps/Employee-Application-Fillable.pdf>

### **Amount of Money and Distribution Method**

If the eligibility and requirements are satisfied, the referring customer will be eligible for a \$500 store credit per referred technician who is hired on a full-time basis.

The \$500 credit will be issued on the 1st of the month immediately after the referred employee is hired for a full-time position.
